Weight Limits: ProStock Diesel: 1150 lbs. 30 Cube: 1000 lbs. All Others: 1050 lbs.

Each hook fee includes one (1) ticket to the evening tractor pull

Make Checks Payable to: Doug Diehl or Daryl Musser: 12906 Bradbury Avenue Smithsburg, MD 21783

Entry forms must be received by **March 1, 2019**. We are limited to 320 hooks per day. Harrisburg Farm Show Complex will open at 6:00 am on Thursday and 5:30 am on Friday. The pull has to be completed by 4:15 pm each day. No tractors are permitted to enter early. Absolutely no fossil fueled heaters of any kind are allowed in the building for any reason. No tractor engines can be started inside the structure until they are ready to hook. All tractor engines will be cut off as soon as the tractor has completed its pull. Tractors must be pushed to the track and must be pushed back to the pits after each hook. No exceptions! We will provide scales in the staging area. All tractors must be ready for final weigh in prior to entering the second scale line up. Please make sure you have extra weights at the second scale and are ready for your final weigh in. We have to check a lot of tractors in a very short time so please be prepared when it's your turn. Also all tractors must be pushed out to the sled, not driven. This includes STOCK tractors. All fueling of tractors must be done outside of the building. No fuel cans are allowed inside. **Official rules and additional entry forms can be found on our website at keystonegtp.com and on our Facebook page, Keystone Nationals Garden Tractor Pull.**
